

IG Indonesia 2026

BEYOND THE BOOTH

MARKET CONNECTION SERVICES FOR EXHIBITORS

Decision-maker invitations, business matching, technical exchange and field visits support market exploration around the exhibition.

IG INDONESIA 2026

NOVEMBER 11-12, 2026 JIEXPO, JAKARTA

DECISION-MAKER INVITATIONS

Targeted invitations help exhibitors focus on energy companies, industrial users, associations and institutions relevant to their products.

MORE RELEVANT CONTACTS

Less time spent on broad, untargeted outreach.

IG Indonesia 2026

BUSINESS FIELD VISIT TOUR

Local company visits may provide firsthand insight into operating needs and potential partnerships.

LOWER MARKET DEVELOPMENT COSTS

Coordinating visits around the show can reduce separate travel, contact screening and meeting arrangement costs.

EXPLORE 2026 EXHIBITOR OPPORTUNITIES

IG INDONESIA 2026

NOVEMBER 11-12, 2026 JIEXPO, JAKARTA

Eligibility, company lists and available places are subject to final confirmation.

IG Indonesia 2026

SUPPLY AND DEMAND MATCHING

Confirmed purchasing needs and exhibitor product categories guide the matching process.

PROCUREMENT INFORMATION

Market information helps companies prepare more focused commercial discussions.

IG INDONESIA 2026

NOVEMBER 11-12, 2026 JIEXPO, JAKARTA

TECHNICAL EXCHANGE

Exhibitors can discuss operating requirements, equipment applications and possible cooperation models with relevant counterparts.

MORE USEFUL CONVERSATIONS

Technical context helps both sides identify areas for further discussion.
